TÜRKİYE CALLS ON GREECE TO UPHOLD RIGHTS OF ELECTED TURKISH MINORITY RELIGIOUS LEADERS

-

10.04.2026

TRT World (8 April 2026)

The Turkish foreign ministry has criticised Greeces policies toward the Turkish minority in Western Thrace, saying their rights under the Lausanne Peace Treaty are being disregarded.

In a statement on Wednesday, it said that Greece persistently disregards the rights and freedoms of the minority by not recognising their elected muftis.

It also raised concerns about recent developments, stating that the process of appointing a mufti in Didymoteicho was carried out under the guise of elections without consulting minority representatives.
