20.04.2026

ArmenPress (20 April 2026)

Prime Minister Nikol Pashinyan said on Monday that peace between Armenia and Azerbaijan began the moment his administration adopted the balanced and balancing foreign policy.

He made the remarks in a video message broadcast on social media, where he presented the Civil Contract party's election program for the upcoming elections.

The Prime Minister first read out the provision enshrined in the election program regarding a balanced and balancing foreign policy.
