US President Donald Trump will visit China on Wednesday for a three-day state visit, Beijing confirmed on Monday.

"At the invitation of President Xi Jinping, President of the United States of America Donald J. Trump will pay a state visit to China from 13 May to 15," a Chinese foreign ministry spokesperson said.

Trump is set to discuss trade and Iran with Chinese counterpart Xi Jinping, expected to urge Beijing to use its influence to pressure Iran into making a deal with Washington.
