JAPAN SEEKS US DIALOGUE WITH CHINA, RUSSIA TO HELP AVERT NUCLEAR ARMS RACE

- 11.06.2026

Anadolu Agency (10 June 2026)

Berk Kutay Gokmen

Japan has encouraged the US to engage in dialogue with China and Russia to help avert a nuclear arms race.

In a joint statement shared Tuesday by the US and Japan, both governments said that Tokyo hosted Washington on June 8-9 for an Extended Deterrence Dialogue.

During the dialogue, the US reaffirmed its commitment to the defense of Japan, using the full range of US defense capabilities, including nuclear.
