## **CHINA WARNS EU AGAINST SANCTIONS TARGETING CHINESE ENTITIES OVER RUSSIA TIES**

-

11.06.2026

---

Anadolu Agency (10 June 2026)

China on Wednesday criticized a proposed new European Union sanctions package against Russia that could target entities in third countries, including China.

The response came a day after European Commission President Ursula von der Leyen unveiled the EU's proposed 21st sanctions package against Russia, which includes measures targeting banks, crypto firms and oil traders in third countries accused of helping Moscow circumvent existing restrictions.

Chinese Foreign Ministry spokesperson Lin Jian said Beijing opposes sanctions imposed without authorization from the United Nations Security Council.
