Saadet Gökçe

Chinese Foreign Minister Wang Yi urged the US to act cautiously on Taiwan while calling for stable ties in a phone call with US Secretary of State Marco Rubio on Tuesday.

Wang said the Taiwan issue has "far-reaching implications," calling on Washington to handle it with "extra prudence," state news agency Xinhua reported on Wednesday.

China and the US should remove interference, overcome obstacles, and firmly continue on the right course toward building a constructive bilateral relationship of strategic stability, Wang told Rubio.
