Caliber (13 July 2026)

Bakhtiyar Abbasov

Russia and Armenia are bound by special relations and the sincere affection of their peoples, Russian Foreign Ministry spokeswoman Maria Zakharova has said.

Speaking in an interview with blogger Olga Blagoveshchenskaya, Zakharova noted that Armenia is more than just a sovereign and independent state for Russia, Caliber.Az reports.

According to the diplomat, Armenia is a country with ancient roots and a remarkable cultural heritage, with which Russia shares a unique relationship.
