
EUROPE'S DANGEROUS ART OF ANTI-MUSLIM DOUBLESPEAK

-

19.08.2026

EU Observer (18 August 2026)

Shada Islam

European authorities relations with their Muslim citizens are mired in dangerous doublespeak.

The official message is at times reassuring. There's recognition of an increase in anti-Muslim hatred across Europe and calls on law enforcement agencies to be alert about violence against Muslims.

In Brussels, at the European Commission, there is an Anti-Muslim Hatred Coordinator, tasked with combating discrimination and ensuring Muslims can participate in EU initiatives as fully-fledged European citizens.
