
COULD ISLAMOPHOBIA ONE DAY BECOME EU LAW?

-

14.10.2026

EU Observer (13 October 2026)

Gaia NEIMAN

If the day should ever come where Islamophobia gets concrete legal backing in Europe, it could be soon.

The European Parliament (EP) just voted to condemn the strategies of Islamist entryism and to develop ways to disrupt Muslim political movements in a resolution on 8 October.

Some 381 out of 720 MEPs worry Muslims are seeking to infiltrate democratic institutions, weaken European rule of law, gender equality, and what they deemed European values.
