## ARMENIA, IRAN DISCUSS HIGH-TECH COOPERATION

-

30.10.2026

---

ArmenPress (30 October 2026)

Minister of High-Tech Industry and Artificial Intelligence Davit Tadevosyan has met with Irans Ambassador to Armenia, Khalil Shirgholami.

The meeting addressed the longstanding friendly relations between the two countries and prospects for developing cooperation in the high-tech sector, according to the ministrys readout.

Minister Tadevosyan emphasized the significant potential for expanding bilateral cooperation in the sector, expressing hope that it would become more comprehensive and effective in the near future.
