Hajiyev recalled that Armenia kept Nakhchivan under blockade for 30 years, and now Baku is waiting for specific steps from Yerevan.

Azerbaijan expects concrete actions from Armenia regarding the Zangezur Corridor, which holds strategic importance for the entire region. This was stated by Hikmet Hajiyev, Assistant to the President of Azerbaijan and Head of the Foreign Policy Affairs Department of the Presidential Administration, during the panel discussion Middle Corridor: A New Geopolitical and Economic Lifeline at the GLOBSEC 2025 Forum.

Hajiyev emphasized that Armenias Crossroads of Peace initiative is an overly narrow and belated approach.
