
KYRGYZSTAN AND UZBEKISTAN DEBATE KAMBARATA-1 HYDROPOWER PLANT PROJECT

-

05.05.2026

Kazinform News Agency (4 May 2026)

Delegations from Kyrgyzstan and Uzbekistan met in Tashkent from April 28 to advance negotiations on the draft intergovernmental agreement for the construction of the Kambarata-1 hydroelectric power plant (HPP), Qazinform News Agency cites Kabar.

The project envisions a plant with 1,880 MW output, strengthening Kyrgyzstans energy independence and enhancing regional energy stability.

Economic impact: Officials emphasized the projects mutual economic benefits and its role in fostering closer ties between the two nations.
