U.S. President Donald Trump met with Armenian religious leaders based in the United States and Armenias Ambassador to the U.S. Narek Mkrtchyan at the White House.

According to the Armenian Embassy in Washington, the meeting included discussions on U.S.-Armenia relations, the Christian and cultural ties between the two nations, religious freedom, and efforts aimed at promoting peace and stability in the region.

The participants also stressed the importance of peace and greater understanding between nations, as well as the role of faith and spiritual values in supporting these efforts.
