
UKRAINE FEARS INCREASED RUSSIAN AGGRESSION AFTER US HALT OF WEAPONS SUPPLY

-

03.07.2025

BBC News (2 July 2025)

Kyiv has warned that an interruption of US weapons shipments will encourage Russia to prolong the war in Ukraine, now in its fourth year.

On Tuesday the White House said it had cut off some weapons deliveries to Ukraine.

The decision was taken "to put America's interests first" following a defence department review of US "military support and assistance to other countries", White House spokesperson Anna Kelly said.
